Vision & Mission

Vision

Thriving English-speaking communities are a vital part of the fabric of Quebec's regions.

Mission

To enhance and maintain the vitality of the regional English-speaking population of Quebec by supporting network members to work collaboratively for their socio-economic development.

Values

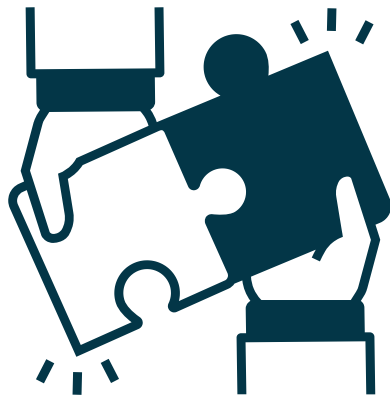

Sustainability

Working with other stakeholders helps to ensure the long-term sustainability of initiatives

Shared Identity

Strengthening and promoting the community's unique characteristics and assets is an important aspect to ensuring a strong and vibrant community

Collaboration

By working together, diverse communities and stakeholders foster innovation, strengthen capacity, and engage together in making positive contributions to communities

Equity

A proactive role in representation, awareness and advocacy will help partners develop policies and programs that ensure the community's equitable access to resources and opportunities

Strategic Objectives

01

Connect members to governments and networks

02

Support the development of regional capacity through the strengthening of regional organizations

03

Continue to grow and develop RDN

Targeted Results

OBJECTIVE 01

Connect members to governments and networks

2022-2023

Members benefit from a backbone organization that is engaged in initiatives and activities that increase support for and recognition of regional English-speaking community needs within programs offered by the federal and provincial governments.

2023-2024

Members benefit from a backbone organization that is actively connected to government entities and provincial networks offering services in Québec's regions.

2024-2025

Members benefit from a backbone organization that can facilitate introductions to key stakeholders, new stakeholders, and government in sectors essential to English-speaking community vitality.

OBJECTIVE 02

Support the development of regional capacity through the strengthening of regional organizations.

2022-2023

Members are supported in their organizational capacity development, the creation of strategic partnerships, and the development of stakeholder relations.

2023-2024

Members are supported in their efforts to provide staff, board, and members of their communities at large with FSL and other essential skills-building opportunities in their regions.

2024-2025

Members are supported in their efforts to build strong and impactful relationships with local, municipal, and regional governments and funding bodies.

OBJECTIVE 03

Continue to grow and develop RDN.

2022-2023

Members benefit from a strong, well structured, and well-informed backbone organization.

2023-2024

Members benefit from a backbone organization with a robust knowledge base that is in tune with their organizational and regional needs and priorities.

2024-2025

Members benefit from a backbone organization that is credible, active, and considered an important partner with government and stakeholders at the provincial and federal level.
