

# WHAT IS THE DIFFERENCE

## *Services Québec vs. Emploi-Québec*

### EDITION

Services Québec and Emploi-Québec are both government agencies that operate under the Ministère du Travail, de l'Emploi et de la Solidarité sociale, but they serve different purposes and provide distinct sets of services. Services Québec provides a broad range of government services, while Emploi-Québec specializes in employment services and workforce development.

#### Services Québec

##### Easy access hub

01

Aims to provide easy access to government programs, services, and information for Quebec residents.

02

Delivers a wide range of government services, including employment, social assistance, health, education, and more.

03

Assists individuals and businesses with administrative procedures, forms, and inquiries related to accessing government benefits and services.

04

Goes beyond just employment-related matters.

#### Emploi-Québec

##### Targeted service delivery

01

Is specialized to focus specifically on employment services and workforce development.

02

Primarily supports individuals in finding employment and assists employers in recruiting and retaining workers.

03

Offers a range of employment assistance services (job search, career counseling, training programs, etc.)

04

Gathers and shares labour market information, enforces labour standards, and administers several employment-related programs and initiatives.
