Economic Development

Canada Economic Development for Quebec Regions (CED-Q)

Economic Development Initiative Official Languages

Aims to foster the economic development of OLMCs. The funding may serve to kickstart innovative or entrepreneurial projects, solidify partnerships or diversify economic activities in these communities.

Examples of funded projects include:

- development of strategies (intelligence, studies, diagnoses or action plans)
- networking and business contacts (generally for organizations that support entrepreneurship)
- information, consulting and support services
- recruitment or use of specialized resources (to promote official languages in Quebec's French-speaking business community)

Diversify Your Economy

Promotes the regions and fosters the development of local economies. Specifically, it is intended to:

- help boost spending by tourists from outside Quebec
- increase the presence of international organizations
- strengthen economic activity in the regions by supporting local business projects
- generate investments and economic spin-offs through the acquisition of community economic facilities
